## FINANCIAL COMMUNICATION AND CORPORATE DEVELOPMENT SOLUTIONS THAT WORK FOR YOUR BUSINESS

Headquartered in Toronto, Canada, Cutler McCarthy provides corporate development, financial communications, investor relations and management advisory services to both private and public mining and energy companies. By leveraging years of capital markets communications and management advisory experience Cutler McCarthy links its clients to the Canadian and American financial markets.

We work closely with senior management to determine fundamental priorities and fine tune their corporate message to resonate with target audiences. Our goal is to provide strategic advice and find optimal solutions that ensure our clients achieve their business objectives. We have worked with numerous companies including: Pintree Capital, Mega Uranium, Brownstone Ventures, Evolving Gold, Hathor Exploration, Nemaska Exploration, Treasury Metals, Cartier Resources, Energy Fuels, etc.
